YM is hosting breakfast and I will go to Chefs store to get gravy and biscuits.

Our **beautiful** friend Melissa Vierra has an Eagle that is being donated to us from the Bear Hotel. It must stay inside! They will deliver it Tuesday at 1 PM.

Also I need help this week end putting up the Veterans Day Banners. Our ground Flags will be put up Saturday before the ceremony. Everyone needs to get here by 0800. 0730 if possible. Steve will not be here as he will be in France. I will also bring a couple of POP ups from home in case of rain.

The Civil Air Patrol will be putting up the Military flags this week end. We have to fix the flag boxes. Last year I had a terrible time getting them closed. I will open them this week end to spray any wasps that have to decide to nest in them :-)
