Jan: **Huge Shout out to our Board for showing up for the Car Show and our 1st Concert of our series.** I am passing the flyers out. We would have made more money but I did Not pass the basket around. When I do that, we usually make anywhere from \$50-\$175. I will do this from now on.. As Lynne stated we did really well and thank you Mark for making the professional menu's.

After Hot Summer Nights and Cool Merlin Music is over we are going to have to think about Veterans Day. I have asked Young Marines, the Lions Club, and Civil Air Patrol about doing the Veterans Breakfast. I have not heard back from anyone. I like the idea of biscuits and gravy. We could do waffles and pancakes, and eggs and sausage. I could cook it if I have to. 😊

What do ya'll think about ordering so blue tops for Veterans Walk of Honor? Not Sweat Shirts just the t-shirts?
