

February 3, 2025, Merlin Park Board Meeting

Pledge

Because Mark is only here for ½ hour we need to discuss what hosting sight we will be using. There is one called Hosting Er that is dirt cheap. Ours is costing us \$100. Per month

We need to get this taken care of.

COMMUNITY CENTER

I have redone our renter's contract. Some renters seem to think they can come in the day before their rental day and spend the entire day for free. Renter's we had this week end for instance. This should take care of the problem.

So far, I had renters this week end and a rental for the 15 of February, all day rental.

And I have a rental for June.

SPAGHETTI FEED

I sent y'all out a sponsor letter to take around for raffle items. Also each of us needs to bring in a bottle of wine for the wine basket. I am going to talk to the lady that donated the quilt to us last year and her daughter also donated a waterslide ticket for our raffle. Please take a flyer into your insurance company, dentist, mechanic, anyone you can think of for raffle items. I will contact Glass Forge; food certificates are good. Ill talk to Cartwrights and see if they will donate the ground beef and Ill talk to Walmart and talk to the for French Bread. All ideas are welcome. Mike, do you think your friend at Costco could help us out?

Ill talk to Chris at Baldinis about borrowing their pans for spaghetti sauce. Can someone check WinCo about Soda? Ice Cream?

We discussed dates for Hot Summer Nights Cool Merlin Music and Car show. We will have a lot of stuff to cover for next month.
