We have an opportunity to make some money at the Airport Days with the car show. It was dumped in my lap, and I thought I would give part of the money to the CAP and we will keep the biggest portion. I am meeting this Thursday at 2:00pm at the FBO to discuss

the car show. I have been busy collecting raffle items and I have two trophy sponsor so far, With everyone's help we could make enough money to sponsor the bands for this summers concert series. I am charging \$15 for entry and if their buddies are coming in to view the car show they will pay \$10. How many can help?

I am really bummed that our Mark didn't do better, but we'll get them next time!! Also bummed the new charter didn't do well. But Lynda and her group did a bang up job!!!!

So far we only have a couple of rentals for the month. Rural Metro was running drill Tuesday May 27 at the park. I did say something to them as I received numerous phone calls from people wanting to know if there was a fire at the park.

Tuesday June 4 is SOSA's graduation. An exciting time for our little school!!!! Our Food Bank participation is picking up and they have some good food. We do have rentals in July.
