Center Report I have nothing so far except for the usual..Mid Rogue Fire District, Sheriff Volunteer meeting..
Girls Scouts....Food n Friends. But that can change at any time. Last minute in November I
had 4 different people call to rent center for Thanksgiving. Who Knows?
Ken has been having trouble with his water heater and has had plumber out. He obviously is
not happy with the tankless water heater, do we see if we can get a 25 gallon heater and sell
the tankless?

Old Business: Do we take over breakfast next year for Veterans Day? They did a good job for kids and it
Was a good day for them and for us.

New Business

Thank you for all your hard work this week end with the decorating for Christmas.

Good of the Order

Adjourned.
