2025 In review. We started out with our spaghetti fundraiser , Music n the Park. We only had 4 bands because that is all of the sponsors we had besides our car show with the Revererays playing , so we had 5. Our 1st Car show in the park was a success! Our Veteran's Day celebration was good with new member Randy as our MC. Great job everybody!!!!

So Steve Resigned in April and Cathy stepped into his shoes and is doing a fantastic job. Randy joined our team as maintenance guru and then Mark resigned and Randy stepped into his shoes and we have a GREAT team!!!!

Project Youth came in and painted the gazebo and the names on the benches and the bricks, Mike and Chris headed up that committee and they all did a fantastic Job. Our Veterans were very happy.

Thanksgiving week end put up Nativity Scene and Lights on trees and gazebo, took it all down before New Year!!!!
