JAN COMMUNITY CENTER 2 rentals for this month and one new fence rental

We need to discuss Spaghetti Feed, Mike and Chris have 5 baskets done  
Did everyone bring their bottle of wine?

We have a very nice quilt from the Hugo Quilters, shall we put it on a silent auction with  
A minimum bid like starting bid \$20.00? Mark has something else donated  
I think I may have a vase from Glass Forge, they will let me know Tuesday.  
I will go to Cash n Carry soon to purchase stuff for the dinner. I won't go until right  
before as I want everything fresh. How much salad do we buy? Last year we went  
through 3 big pans. I'm making meat balls on Friday, we are serving ice cream? How  
much? Full meal including one drink and bowl of cream is 12.50? Children \$7.50?

The Spay and Neuter club is supposed to have their Lasagna dinner in March, they  
wanted to serve wine and I said no as we do not have an OLCC License and have no  
plans to purchase one. I haven't heard from them since.

We need to figure out what when and why on the Candidates Forum. We have always  
done

all of them on the same day. Do we want to have one in 2 days for the 2 candidates  
running for

Commissioner? What day of the week? Wednesday is not a good day as a lot of  
people go to church.
