RECAP OF SPAGHETTI FEED..SUCCESS AND HOW WE CAN MAKE IT BETTER NEXT YEAR.

COMMUNITY CENTER: I have sent an invoice to Sherriff Office for their rent of \$6,000.00

FOR THEIR ANNUAL RENT. Mark brought up the fact we should raise the rent due to the price increase of power bill. I am sorry I gave them the price before this meeting and it is already in the process with their Budget Meeting. I will make a note and pin it in the office to increase their rent for the next fiscal year.

This month we have the Sheriff volunteer meeting 2nd Tuesday of the month

Girl Scouts every other Wednesday 6 PM

Vince Above All March 12 March 12 Celebration of life

I will let everyone know of other rentals we get along the way.

So as everyone knows our extra spaghetti was stolen from the back room. Question, Do we build or buy a cabinet we can lock so other things don't come up missing? The cabinets under the microwave are actually ours.. So we will be able to lock our stuff up. Also when are we going to do a clean out of the storage room and storage shed?
