FIRE DISTRICT REPORT:

**Park Logo Discussion, Cathy:**

CENTER REPORT . I had two rentals for September, one is Gem and Mineral show which will be September 7. All Day event which will be in the Gazebo

The rental for September 6 was postponed not cancelled. Mr. Handley had a heart attack, when he is strong enough they will have their family reunion.

I do not have anything other than the fire District The Sheriff meeting on Wednesday, September 10. So far.

October I have 2 rentals for October 11, and for sure 17 and 18 Paid \$400. For all days

The Gazebo turret wood is rotten. Cathy has the materials to replace wood, Hardy Board. William will assist as he doesn't mind getting on the roof. It rotted because there was no flashing put on and looking at eaves and gutters. We need to work on them before all are rotted. I would like to get a price for gutter guards to put on all gutters after the damage is corrected to prevent further damage.

New Business:

Old Business (Not completed)

Good of the order
